Student Counselling System – SaaS

Aim

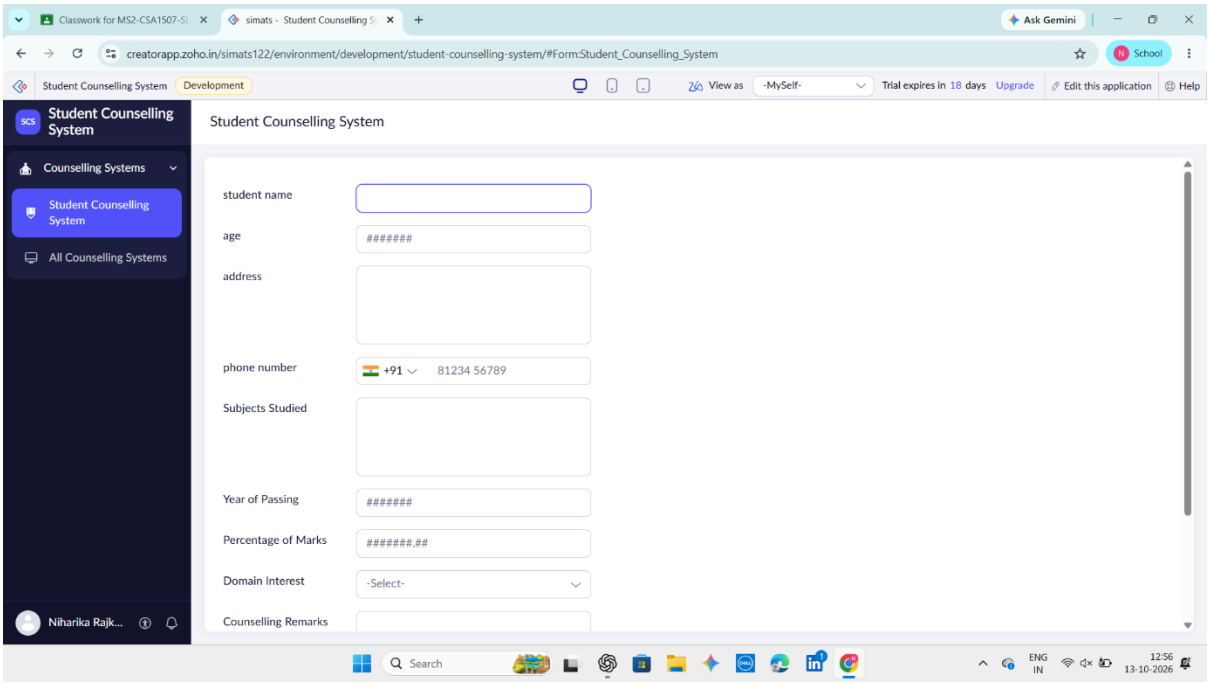

To create a simple **Student Counselling System** using **Zoho One** as a cloud-based SaaS application.

Steps / Procedure

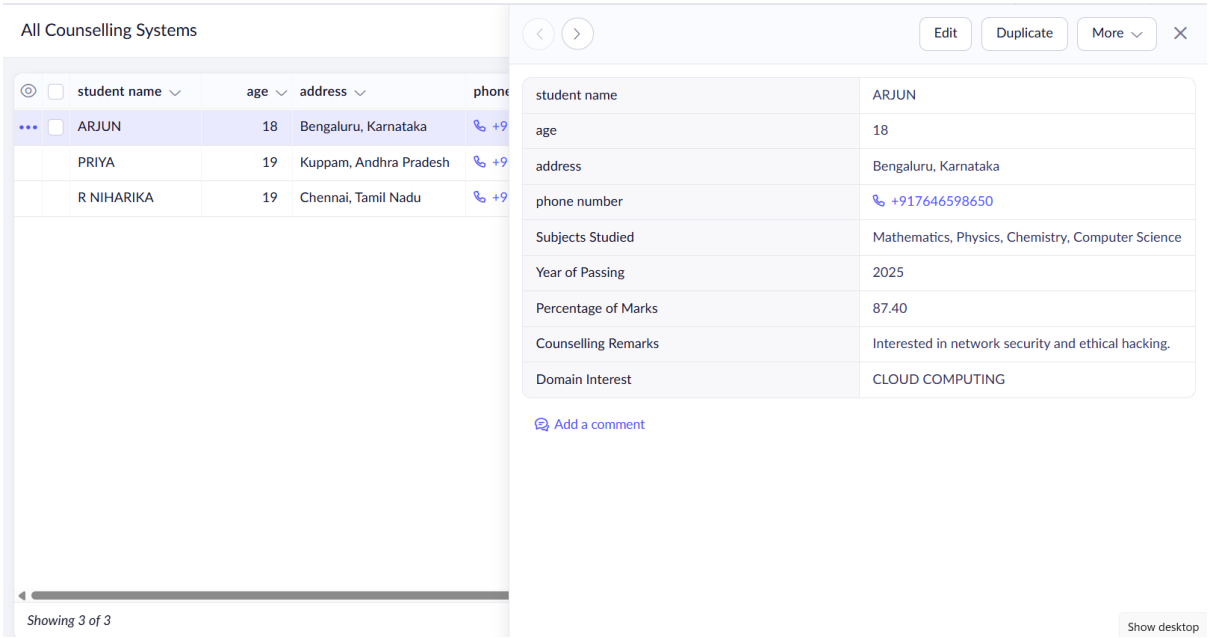

1. Log in to the Zoho One cloud platform.
2. Open **Zoho Creator** from Zoho One.
3. Create a new application for Student Counselling.
4. Create a form named **Student Counselling**.
5. Add the required fields.
6. Select the suitable field type for each field.
7. Arrange the fields properly in the form.
8. Save and publish the form.
9. Enter sample student counselling details.
10. Submit the form.
11. Check whether the student details are stored in the cloud.
12. Test the form with different student details.

Implementation

Input:

Output:

Result: Thus, the Student Counselling System was successfully created using Zoho One and works as a SaaS application.
